Introductions:

- stick to the original criteria Membership 10%, Events 30%, Budget 30%, and Rationale 30%
- % graded x \$1200 (maximum amount) = Amount to grant

Member Responsibilities:

- All members: read & prepare to comment the next 5 grants for the next meeting on Nov. 24th 3:30 pm (last meeting before term ends.)

Grants Review:

1. **UBC BIOSOC:** Total 77% = \$924

Membership: 7%

- no first years
- 100% science students (all Biol. majors)
- no executive names
- ratio of Executives (23) to club members

Events: 22%

- good mix of collaboration w/ science students
- merchandise sales? necessary
- career night (~\$1200)?
- good ratio of attendance

Budget: 20%

- hard to read (messy comment)
- can format better
- budget as -\$1200?

Rationale: 28%

- well written
- list of clubs to provide evidence

2. Undergraduate Research Opportunities: Total 93% = \$1116

Membership: 8%

- majority are from science
- big club w/ lots of members
- increase members with reasonable price
- same, repeated names (didn't double check)

Events: 29%

- most events are expected to meet cost/profit
- science-oriented

Budget: 26%

- Life Science Research Night (unclear if \$3200 is clubs' expense or other clubs also contribute into it?)
- deficit even through they have other grants & sponsorship (budget management?)

Rationale: 30%

- good, well written
- well illustrated with graphs
- supported with concrete evidence

3. UBC Women in Science Total 77% = \$924

Membership: 9%

- blank space/ missing details (unknown majors?)
- all science students
- 7 executives to ~60 members

Events: 28%

- lots of opportunities to meet professionals
- well balanced of social events & networking events
- lots of guest/ professionals

-collaboration with Engineering (good to see collaboration with other clubs)

Budget: 15%

-no expected revenue (should be in the budget)

-intention of generating revenue if events charging \$2 for non-members & free for members (any events/ ideas to generate own revenue)

Rationale: 25%

-no specific collaboration/ big collaboration with other clubs
