Called to Order:

3:36 pm - 5:03 pm

Member Responsibilities:

- All members: read & prepare to comment the next 5 grants for the next meeting (TBA)

Grants Review:

1. Nicolas Echeverria - UBC iGEM 2014: Probeotics: Revisit

- missing budget form so can't evaluate
- only outline supplies
- ask him about the budget (unfair to reject him)
- give him full second chance

2. Jeanne Chan - UBC iGemJamboree: Total \$300

- exchange rate
- clearly stated budget
- clearly explained
- she thanks us at the end

3. UBC HSF: Total 83.5% = \$1002

Membership: 6.5%

- how much membership fee per person?
- executives names? not in separate list.

Events: 30%

- well balanced academic to social events

-lots of collaboration with other clubs

Rationale: 30%

- bolded words = easy to read
- details, clear purpose & vision
- 1 pg. requirement (a bit long?)
- general meetings = connected with members

Budget: 17%

- total revenue missing?
- some money go to donation (no breakdown how much given away)
- donation goal: \$3000 (projected to be more than 2 yrs combined)
- hard to understand (lots of unknowns)

4. Science One Survivors Club: Total 55.5% = \$666

Membership: 10%

- executive names
- nicely layout

Events: 25%

- great balance (academic & social events)
- not a lot of collaboration with other student clubs
- exclusive community (not all Science one students in this club; open to other students (non-science one?)) inclusiveness??
- projected dates?

Rationale: 20.5%

- collaboration with other clubs (Science clubs)
 - eg. year end party/ soccer game => open to other students
- exclusive = no opportunity for other non-science one students to join
- their student fees to SUS?
- target small population only
- social events for their own target population
- just collaborated with CSP

Budget: 0%

- AMS budget??
- hard to interpret & understand
- second chance? No because criteria clearly stated of SUS expectation, other executives should peer-review

5. UBC Students for Climate Action: Total \$250

-\$500 for the venue? - part of the cost?

-didn't breakdown all the budget
