Budget Update

S'all good

Leave it for next year, if someone needs more \$\$, they can ask for it and Tamara will re-allocate the \$\$

Town Hall Debrief

Not a lot of people, had to pay for the town hall

Ways to promote: print posters, post in the SUB, booth in the nest, have a promotional contest to improve the FB traffic (event), collaborate with clubs

Why it failed: it was getting late and repetitive (topic), always get low turnout for town halls

Discussion

Sports Reimbursements

- Priority goes to council members
- At the end of the year – put it in code
- Full subsidize REC events, intramural events (1-2 teams per each thing)
- Storm the Wall (big events): 40% off for everyone

iKonnnect

- Don't want to give money
- Look at Alvin's proposal
