

November 22 Meeting Minutes

Attend: Matt, Chris, Iris, Tiffany^2, Andrew, Regina (annnnnd Jessssssie)

Absent: Cathy, Kelly

1. Update:
 - a. Santa Ono -- haven't replied us yet
 - b. Meeting with Erin and Allison
 - i. LOTS of things to discuss (see below)
2. Discussion:
 - a. **MAIN MAIN MAIN CHALLENGE -- Clashing with Beyond the BSc from SCI Team** in January
 - i. Science Networking Event: happening or not?
 - ii. Other alternatives (most likely the solution)
 1. Some suggestion from Allison -- event that may complement the SCI team event
 - iii. Targeting audience
 - iv. Regina and Tiffany talk to SCI team co-chairs
 - v. **Jobs on Campus - build your career profile before you graduate**
 1. Advising center, esp, Jump Start, Work Learn... etc
 - vi. Alternatives: science start up, speakers series + mingling session
 1. Next Canada
 2. UBC Startup place under the alumni center
 3. 11 Vancouver Startups - Vancity Buzz
 4. 10 years - for Startups
 - b. Graduate workshop series clashing
 - i. <https://science.ubc.ca/students/grad-workshop-series>
 - ii. Possibility for collaboration?
 - c. Collaboration with LFS and event funding -- Matt is meeting up with Harrison next week for more details
 - d. Resources available for us
 - i. Allison from CSI&C -- mainly responsible for science student development
 1. In contact with other science clubs
 2. Help us get a moderator for the panels
 3. Career Peer Coaches for 1-on-1 short clinic -- still need to be confirmed
 4. We need to let her know by next week on HOW she can help us; Regina and Tiffany arrange for another meeting
 - ii. Co-op office -- Erin is contacting this person for us and will get back
 - iii. Alumni center -- challenging because they are working with SCI team already
 - iv. Erin (occasionally)
 - e. SCI Fair

- i. Contact other science departmental clubs (Physics, Biochem, Biology)
 - f. Improvement: what can we do to prevent this from happening again?
 - i. Environmental scan
 - ii. Fill the the gaps
 - g. How can we target upper years?
 - i. Chance to network with companies
- 3. Next week:
 - a. Unfortunately, we might need to postpone our next social to catch up with some work before the meeting ends
 - b. Regular meeting next week @ 6:30 pm
 - c. Homework: Think about the new event ideas and the ones mentioned @ this meeting
 - d. Regina & Tiffany: Email Santa Ono, reach out to co-chairs for SCI Team, Message Alison
