**Simona:** Does the great hall allow outside catering?

**Alex:** Cannot be catered by outside places.

**Imayan:** I believe they can.

**Alex:** Let's look into it

**Jocelyn:** The theme for Sci week is childhood cartoons. One cartoon is assigned to each day. Any suggestions?

**Vicki:** Incorporate winter wonderland? It is an easy theme to follow.

**Imayan:** We could have an award show like kids choice award.

**Jocelyn:** As a final night? Yes.

**Imayan:** To avoid clash of colours we could make it very simplistic and incorporate colours of cartoons.

**Jocelyn:** We could have cotton candy incorporating the colours of cartoon

**Karen:** Can you elaborate on the coin thing?

**Imayan:** It is like a gift (a coin) that would be given, it would be a very classy gift following the theme.

**Alex:** Can you check the base price for AMS catering?

**Mario:** I was under the impression that it was supposed to be classy? Wouldn't incorporating cartoons be bad?

**Alex:** Do just decorations:

**Jocelyn:** Make them subtle decorations.

**Imayan:** Talked to Joey, and having actual alcohol would be a huge selling point. However we don't want a 19+ event. Having an after party could solve that issue. Plan an after party at the pit?

**Mario:** Another point is possibly inviting musicians for live music? UBC Musicians initiative à invite people to play for the gala (Mario will look into this)
