gallery

Mario: at gallery it's basically gala part two but just with alcohol

But with pit there's dance party

Andrea: actual gala? Standing? Mingling

Mario: seats means that moving away from cocktail style

Joey: how are we serving food? Full dinner style

Vicki: i feel like it's okay to switch cocktail to sitting down

Andrea: what kind of gala are we targeting?

Leo: last year gala was sitting down

Andrea: in general what should the gala be? Like intermingle

Imayan: santa ono guest speaker, cocktail allows you to intermingle with other members

So i think we should stick with cocktail style and have seating area for those who want to sit

If there is dance party after best thing should be cocktail before

Alex: keep in mind that the ticket sales should reflect on the actual gala (i.e. amount of food)

Leo: aiming for ~\$25 tickets

Alex: no cost for the pit

Tess: once people come from the gala they will be more inclined to go drink

Mario: able to get 4 musicians for sure to come

One of the guy would bring his friends (so 7)

Girl can ask friends from music school

Joey: ask one band for background music

Karen: I will look into last years band

Action item:

- Alex double check if the pit is free
- Alex book great hall
