*We did not meet quorum, so this grant application was discussed, but could not be approved

Professional Development Grant – Shawna Narayan

- Clearly for professional development (first research conference)
- The conference is relevant to her field (Physics)
- Budget is clear and has made attempts to source other funding
- Her passion for physics is evident and has a solid idea of how this would help with her career development
- Well written and has a strong argument
- Full Grant (\$300.00) has been advised by the members at this meeting

Meeting Adjourned 11:50 AM
